

LAVENDER BATHING SALT, 500 g

Bathing salt with a delicate lavender smell. The salt mixture nourishes the skin, invigorates it and restores its vitality. Lavender relaxes our senses, takes us to Provence and creates a genuine and relaxed French atmosphere. Lavender has a soothing effect and so has the bathing salt with the smell of lavender. When we feel nervousness, stress or excessive fatigue, lavender bathing salt plays its function, relaxing us with its smell, removing fatigue and soothing our senses, nourishing and brightening the skin. Our heart starts beating to the right rhythm and bringing us into a relaxing sleep. Another important information: the lavender bathing salt contains the essential oil of Slovenian lavender.

Ingredients: Sodium Chloride, Lavandula x intermedia oil, Linalool, Limonene, CI 7707.

Due date: imprinted on the packaging.
