

SAGE FOOT BATHING SALT, 500 g

The foot bathing salt with sage and sodium carbonate. The salt mixture softens the hardened skin on the feet, nourishes the feet and refreshes them. After the bath, it is necessary to wipe the feet well. For additional care, it is recommended to use foot cream. Sage has a pleasant smell and a beneficial cleansing effect, while accelerating the blood circulation of the skin. It is suitable for relaxing tired legs. Sodium carbonate has alkaline properties with antifungal effect.

Ingredients: Sodium Chloride, Sodium Carbonate, Salvia lavendulaefolia Leaf Oil, Limonene, Linalool, Citrat, Geraniol.

Due date: imprinted on the packaging.
