

### Nourishing Night Cream, 50ml

Night cream for face is intended for use on normal and sensitive skin. Vitamin E and coenzyme Q10 containing antioxidants prevent the process of skin aging. Hyaluronic acid regenerates the skin, whilst nourishing and supplying it with moisture. Dermatologically tested.

**Instructions for use:** Apply the cream onto a clean face before bed and gently massage into the skin in a slow motion. This product must not be consumed.

### Ingredients:
